Team 24 Athlete Scholarship Qualifications

Student-athletes face unique challenges as they pursue their education, balancing the responsibilities of homework and studying with practices, training, and games for their sport. High tuition costs are yet another stressor many student-athletes face.

Team 24 Community is thrilled to present an exclusive opportunity: a scholarship designed to alleviate the financial burden for four exceptional student-athletes in the graduating class of 2025. This isn't just any scholarship; it's a unique chance for you, a varsity sport-playing high school senior, to secure your future. The scholarship, a prestigious award, must be used to pursue post-high school education. As a winner, you will be invited to attend the Team 24 Community Gala in October 2024, which could open doors to valuable connections and opportunities.

Sports play a pivotal role in the lives of many, benefiting both physical and mental health. Sports are more than just a game. They are a school of life, teaching us invaluable principles and skills like teamwork, leadership, and self-confidence. They create a bond with teammates who share our interests and values, shaping us into the individuals we are today.
